## Diversity and Inclusion Statement

United Way of Richmond County strives to be a model of diversity and inclusion. Our Board of Directors, staff and volunteers reflect the many faces, cultures, and walks of life that proudly make up our world.

We respect, value and celebrate the unique attributes, characteristics and perspectives that make all people who they are. We also believe that bringing diverse individuals together allows us to collectively and more effectively address the issues that face our communities. It is our aim, therefrom, that our partners, strategies and investments reflect these core values.
